

Acceptable Use and Information Security Policy

Email and Phishing

Suspected phishing emails must be reported using the Report Phishing button in Outlook. Sending company data to personal email accounts is prohibited.

Devices and Software

USB storage devices are blocked on company laptops unless Information Security approves an exception. Only software from the Qimam Software Center may be installed on company devices.

Screens lock automatically after 5 minutes of inactivity.

Security Incidents

Security incidents must be reported to the Security Operations Center within 1 hour of discovery. Do not attempt to investigate an incident yourself.

Backups

Files saved in OneDrive are backed up automatically every 24 hours.

Awareness Training

All employees must complete the annual security awareness refresher by 31 December.
